

Guild Library Inventory

Each category is identified by a specific colour and has its own set of numbers.

Each book in the library will have a coloured number on its spine which corresponds with the list below. *If, for example, you are looking for a History of Hand Knitting by Richard Rutt, the book will have a yellow '13' on its spine.*

Please note that this is a list of what we possess, not necessarily what is available at any given time as the book you want may be out on loan.
